

New York Jan. 22. 1841.

Samuel Arnold Esq)
D. C.

Your cause has been
noticed for trial for the first Monday of
February - and as it stands nearly at the
head of the calendar it will be reached
early in the term, perhaps on the ~~first~~^{second} day.
You will do well to be here with Mr. C. Brainard,
and Mr. Palmer on Tuesday Feb. 2d. My
brother does not think it will be safe to
delay any longer that that. I will not
subpoena any witnesses until you arrive
Very sincerely
Yours,
Stephen J. Field

P.S. If you should happen to see any of my father's
family have the good news to them
that we are well - and would like to
hear from them
